KEY TO COLOUR CODING

- In use digital licence for Freeview NZ (Unencrypted, DVB signal).
- In use digital licence for Sky TV (Encrypted, DVB-T2 signal).
- Digital licence likely to be utilised in 2014.
- DTT Licence allocation to be used in 2014/15. Existing usage at the site on frequencies above TV39 will then cease.
- Local area DTT licence at an alternative site.

- New TPP/MTS channels. Potential licences are indicative only
- Guard band, not in Management Right.
